User Note:

Where the boundary of a State Legislative District splits a Census 2010 block, the Census Bureau's maps and TIGER/Line files depict the correct location of the boundary. For data tabulation purposes, split blocks are allocated in their entirety to the State Legislative District specified to the Census Bureau by the state. The following list provides all the State Legislative Districts-Upper House (SLDU) that split census blocks and shows the state legislative district where the block is allocated for data tabulation.
